

Message from the President, Comm. Hon. Santo Santoro

Dear members, friends and supporters of ICCI (Qld),

The Chamber has experienced a very busy time since you received our last newsletter.

A few weeks ago, over 120 people enjoyed listening to His Grace The Most Reverend Archbishop Mark Coleridge at the Chamber's most recent **Business Networking Lunch**.

His Grace The Most Reverend regaled lunch guests with antidotes of the rich experience he gained during his time in Rome where he studied Scripture at the Pontifical Biblical Institute. His duties included speechwriting for the Pope and assisting the Pontiff in discharging many of his other responsibilities.

His Grace also outlined his views in relation to a number of current issues confronting the modern Catholic Church.

The Chamber also recently held its **Annual General Meeting** and a new board of ICCI (Qld) was elected at the AGM. A brief introduction to all board members is contained within this newsletter. Needless to say, I am proud to be the President of a board whose membership includes individuals who are high achievers and influential within their respective industries.

I am particularly grateful that Cav. Adj. Professor Phillip Di Bella has agreed to stay on and continue to serve as Vice-President of the Chamber and equally grateful that Life Member, Noe Vicca, has agreed to "return to the fold" and serve again as Treasurer of the Chamber.

I wish to record my thanks to outgoing board members, Tony Micalizzi and Mayor Cr. Paul Pisasale. Needless to say, I am also very grateful to the other board members who have agreed to continue to serve the Chamber in an exemplary fashion.

Attached please find details of our next two networking functions, including the **Annual Gala Dinner** to be held at Gambaro's on **Saturday 18th June** and the **Aperitivo Italiano at the much awarded Mariosarti Restaurant on Monday 16th May**.

I commend the above functions to all members, friends and supporters of the Chamber and ask for your support of the functions through your attendance. I would also be most grateful if you were able to encourage the attendance of your family, business associates and friends.

Within this newsletter, also please find a very interesting profile of **Mapei**, our latest major sponsor. We thank Mapei – as we thank all of our other major sponsors – for the tremendous support of the Chamber.

And, of course, please give some further thought to the proposed **ICCI (Qld) Trade Mission to Italy** scheduled for the 17th – 21st October 2016. I wish to stress here that the Trade Mission will be tailored to suit the specific interests and requirements of individuals and companies who sign up to attend the Mission. The itinerary and specific appointments of the Trade Mission will be determined by the participants' interests and requirements.

I hope you enjoy reading the contents of this newsletter. We are always happy to receive feedback about what we include or what else you may wish to be included in a newsletter such as this.

With best wishes to all,

Comm. Hon. Santo Santoro
President
