Hi to all our Members and Friends,

Time for another Newsletter, this one about the next function at the Abruzzo Club.

Just 3 months to Christmas and therefore only 2 months to our Christmas party/Annual General Meeting.

Once again, the Committee are begging members to consider proposing new candidates for office as the average age of our current Committee members approaches 80 years. We desperately need new blood before it's too late for the Club to survive!

Remember that I need Copy for the next Newsletter. If you would like to dictate your story, or your family's story, instead of writing it, this, too, can be arranged and I will write the story for your approval. It may even make an Italian paper or two, so you may then send it to your overseas relatives. How impressed will they be!

Wanted!

The Club has the need for a PA System for use at our functions. If any of our Members or Friends have a suitable one or even have the knowledge to be able to advise us on what we need to be able to get our speech across at our functions we would be very grateful. We would be even more grateful if we could have a suitable system donated to the Association. So rummage around and see if you can help. Speak to me at 0408 843 362 if you can help, as all we have at the moment are a good microphone and good intentions.

John Isoardi.

SEE YOU THERE!
